

Thursday, November 24, 2006

Dear customer,

I am pleased to announce that, effective immediately, we have completed the acquisition of Indalex's Winton, North Carolina drawn tube facility. This facility, along with our Chicoutimi, Quebec installations, will be fully owned and operated by Spectube Inc. and will make us the new leaders in the production of aluminum drawn tube and the manufacture of fabricated aluminum products in North America.

For over 20 years, Spectube's focus has been customer satisfaction and customer-based aluminum solutions and we are committed to bringing you the highest levels of quality and customer satisfaction. In order to properly serve our customers' needs, we have developed a new and exciting business concept for the manufacture of aluminum drawn tube and fabricated aluminum products called **ALFINITI Inc.** We are confident that this dynamic organization will benefit you by providing a strong and professional sales team, an experienced technical and administrative staff and dedicated production personnel, all committed to meeting your drawn tube and fabricated aluminum products requirements.

We wish to thank you in advance for your business and future support. Our sales staff and I will contact you to introduce you to the **ALFINITI Inc.** marketing concept, specifically tailored to the development of drawn tube and fabricated aluminum products in North America, and to expand on our dynamic working relationship with you. In the meantime, should you have any questions I encourage you to contact me at (514) 697-7157.

Sincerely,

A handwritten signature in black ink, appearing to read 'John E. Nesbitt', written in a cursive style.

John E. Nesbitt
Vice President – Sales and Marketing
ALFINITI Inc./Spectube Inc.
